

**Canadian Innovation Exchange (CIX) Public Investor Day and Stockhouse
Announce Canada's Most Innovative Public Technology Companies**
Showcasing companies from coast to coast across tech sectors

TORONTO, ON – Wednesday, November 9, 2016 – Today, the Canadian Innovation Exchange announced its selection of the most innovative public technology companies that will be presenting at CIX Public Investor Day on Wednesday November 23. Companies are chosen by a selection committee made up of technology experts and investors from across the country.

[CIX Public Investor Day](#) is an important event hosted by the organizers of [Canadian Innovation Exchange](#) (CIX), and [Stockhouse.com](#), the authoritative source of small cap financial information and news. It is an extension of the highly successful Canadian Innovation Exchange, which will celebrate its 9th year on November 22, showcasing Canada's hottest startup tech companies. Following, CIX, CIX Public Investor Day will showcase and celebrate Canada's hottest most innovative small and mid-market tech public companies.

Hundreds of company profiles were reviewed and the TOP 20 were chosen based on a number of key factors including overall innovation, product/service offering, depth of management, market opportunity, and business model. The CEOs and Founders will be presenting at CIX Public Investor Day on the afternoon of November 23 in Toronto at MaRS.

CIX Top 20 most innovative tech public companies are listed in alphabetical order:

"It is great to see Canadian public companies driving innovation across all technology sub sectors," said Justin Meiklem, VP Marketing of Stockhouse. "Canadian tech companies are innovating FinTech, Software, Internet, Industrials, and CleanTech, and all of those are represented in this year's CIX Top 20."

Investors in the audience will also have the opportunity to message and connect meetings with the company CEOs through CIX's exclusive CIXchange software.

About Stockhouse

With over 1 Million unique visitors a month, Stockhouse.com is Canada's most popular small-cap investor community featuring significant editorial coverage and analysis on the technology sector. Stockhouse members and visitors are active, affluent and risk oriented investors who utilize the site to discover new investment opportunities and make successful stock buying decisions. Technology companies use [The Stockhouse Deal Room](#) to introduce their private placement financings to new qualified online investors.

About Canadian Innovation Exchange

The [Canadian Innovation Exchange \(CIX\)](#) is a showcase for great Canadian innovation while catalyzing strategic relationships and transactions across this dynamic sector. Its objective is to bring together the key leaders and protagonists of technology-based innovation in order to learn from each other and to showcase and celebrate the tremendous innovative products, services and technologies that exist today and are providing the fuel for our economy to grow. The CIX is over three days CIX FinTECH on Nov 21, Canadian Innovation Exchange on Nov 22 and CIX Public Investor Day on Nov 23.
